DBA 365 SECURITY SERVICES

CAPABILITY STATEMENT

Federal Healthcare • Critical Infrastructure
Government Security Services

PROTECTING
THOSE WHO
SERVED™

365 Facilitators Inc. (DBA 365 Security Services) is an SBA Certified Service-Disabled Veteran-Owned Small Business (SDVOSB) providing professional security services to federal, state, and commercial clients throughout the United States. Since 2020, the company has successfully performed more than ninety federal contract actions and currently supports multiple Department of Veterans Affairs Healthcare Systems, Community-Based Outpatient Clinics (CBOCs), National Cemetery Administration facilities, and other federal installations.

Our operational model emphasizes regulatory compliance, uninterrupted contract performance, exceptional customer service, and mission-focused security operations tailored to healthcare and critical infrastructure environments.
